UPLIFTING AND BOOSTING THE FIRST-GENERATION STUDENT-LEARNER

A first-generation student is defined as a learner or a student whose parents or legal guardians have not ever gone to a college for building their academic skills. The first-generation students are the very first in their family to earn a bachelor's degree in any college or university. A large number of students in the Institution predominantly belong to a rural economy. More than 600 students of our Institute are benefitted by the National Scholarship Programme. To prepare for various competitive examinations like Banking, Railways, SSC, etc. free coaching and learning materials is provided through SUDAKSHYA and similarly we are also imparting free coaching and learning materials for JEE and NEET in collaboration with MOTION EDUCATION, KOTA, RAJASTHAN. Faculties are encouraged to build a personal relationship with the students under the mentorship system. The institute creates a friendly environment by allowing and enabling the rural students to hone and exhibit their skills in the field of Sports, Education and Community welfare. The students also get support and encouragement to participate in activities being organized at other institutes/universities to help them develop public speaking skills and to be more vocal about their ideas, opinions and expressions, which is the need of the hour in today's competitive world. NSS and NCC units are also established in the institute through which students get opportunity to understand and learn social and national obligations.

However a Futuristic/Progressive, Roadmap/Blueprint is worked upon before the beginning of every Academic Session.
