

**Scroll of Honour for Prof. Bipin Choudhury, Principal  
Sarwati Devi Women's College, Rajgangpur**

**On the occasion of his Superannuation on 30.04.2024.**

You entered into this noble profession after getting higher education from Kurukshetra University, Haryana. You were joined in Maa Manikeswari College, Garh Tumulia in 1987 as a Lecturer in Education and worked there for over 25 years. Then you joined in this Institution in the year 2012 and served for a period of 12 years. You remain a humble person with lofty ideals who takes all the responsibilities in your own stride, never shifts responsibilities, never procrastinate anything. You begin every work with all sincerity, see it through to the end till success is achieved, be it a long period of time. Wherever you tread, you leave your indelible footprints of immaculate perfectness, be it academics, infrastructure, assessment and administration. You never shirk from taking any responsibility from the beginning of your career either in Manikeswari College or in this College. You worked as Academic Bursar and Principal in this College with all humility, taking all the challenges to solve the problems of the students. You love to do the entire work single handedly, like to face challenges, never tire of anything and keep patience till the job is finished. Your administrative acumen are visible in your effort to complete the renovation work of the entire college. Your student-friendly attitude is visible as you take keen interest in solving all the problems by remaining in touch with the students for twenty four hours including attending all the phone calls without fail. Your strictness in the attendance percentage of the students is visible by completing the assignments of the students in reading room before the form fill up and their Annual Exam and you have implemented the biometric system of attendance for the students and staff. You never fail to solve the problems of the inmates of the Hostel by looking into their day-to-day affairs. Even though it is impossible to solve all the problems, the affairs of the members of staff are always considered paramount to you.

You have started doing YOGA for the inmates of the hostel from the month of November' 2021 in the early morning and they are very much interested and popular to yoga practice around the local area. YOGA practice is very much helpful in keeping them Both physically and mentally strong.

Now the day arrives and you have to bid adieu to a noble profession without any remorse. After, rendering for over thirty six years of valuable service, you now move in to a new phase of life with all positivity. May your new beginning be filled with happy memories of the years you spent in this noble profession. May your new avenue bring you a lot of happiness and bliss of joy in the coming days. May the new opening give a lot of courage and strength to face the life with vigour and grit.

We, the members of Sarwati Devi Women's College family, sincerely wish a healthy and blissful life in the coming years with your family.

With regards,

Members of staff and Governing Body

Sarwati Devi Women's College, Rajgangpur
