

## **AWARENESS DRIVE ON STUDENT CONCESSION MST BY RAILWAY AND UTS APP**

**By IQA Cell, S.D WOMEN'S COLLEGE, RAJGANGPUR**

An awareness program on **STUDENT CONCESSION MST AND Using UTS** Mobile App was organized by Chakradharpur division of South-Eastern railway. The welcome address was given our respected Principal Sir Mr. Bipin Choudhury who welcomed the public officials to the institution. IQAC Coordinator Mr. Sapan Kumar Panda stressed the importance of the awareness programme encouraged by Indian Railways and informed the students to avail free MST services up to graduation level for girls students. The session begun with a general interaction with the students who use railways as primary mode of communication on a day to day basis. The seriousness of travelling legally by purchasing tickets over the railway counter or through online mode was explained. They also emphasized the need to book tickets prior to travelling to a destination which would help in developing self-respect as a citizen and one wouldn't have to make lame excuses for travelling without ticket. The resource person also highlighted the penalties one would incur if he/she is found travelling without ticket. The hurdles of booking a ticket physically by going to a ticket counter and standing in long queues can be avoided if we use digital modes of technology for booking tickets especially when we have everything easily available at our fingertips. The program ended with a Vote of Thanks.
