

ENERGY MANAGEMENT AWARENESS PROGRAM

TEAM EnMs, SDWC, RAJGANGPUR

Energy Management System Team organized an awareness program on dt. 19.08.2023 With the volunteers of S.D Women's college, Rajgangpur . The members and the volunteers aware all the students about energy conservation, benefits of energy conservation and how to conserve energy. They told the students to switch off all the fans and lights when the classrooms are not engaged , when there are few students inside the class, switch on only that side fan and light. Not to charge any electronic appliance like Mobile, Laptops inside the college campus. Not to use plastic bottles or any other polythene bags inside classroom. These will be strictly monitored by Members and volunteers.
