24 responses

No

Needed more books in library

N/A

No

All the students, faculty members and ministerial staff should be equally treated

Na

Better classroom sitting facilities needed urgently

Smart class with proper equipment, Skill based curriculum and courses to be strongly implemented

more proactive for ICT mode of teaching is essential.

Improvement of infrastructure and students need should be fulfilled at least basic needs

Infrastructure should be improved.

Attention should be given for the maintainance of college building

More Career counseling activities should be conducted for the passed out degree students for higher study and job opportunity in different govt and private sectors...

More books are required in library and proper laboratory for the dept of chemistry

Infrastructure should be developed.

It is the responsibility of everybody to motivate ourstudents for studies.

It is the responsibility of the every staffs and students for the improvement of our college when they dedicate their time and effort.

Well equipped laboratory

Everything is going well.
