

5.4 Alumni Engagement

- 5.4.1 The Alumni Association / Chapters (registered and functional) contributes significantly to the development of the institution through financial and non financial means during the last five years.

Sarbati Devi Women's College, Rajgangpur was established in 1981 and the mean time more than 2500 students have graduated from this institution. They are established in different organizations, social institutions, business etc. over the years. Though there is no formal alumni association, they visit the College individually and in groups and support the College in various academic and physical developments. One of the students Mrs. Sarita Pattnaik, who is established in USA and won a beauty pageant has donated Rs. 50,000/- for creation of a fund in the name of her father Sri. Hari Pattnaik to give a scholarship to the needy and meritorious student out of the accrued interest. Thus, the old students of the College participate the activities of the College in various ways to strengthen its academic growth.
