PUBLICITY OF ARMY RECRUITMENT

Respected Collector,

1. I write to you today to highlight the issue of Army Recruitment. As you are sanguine, Indian Army provides a great opportunity to young women & men to join a profession which offers them with an adventurous & fulfilling lifestyle with a good salary. The Indian Army not only provides a vocation to the youth but also transforms them into model citizens of our great nation.
2. As you are aware, online applications for Army Recruitment is currently being accepted on the Join Indian Army website (www.joinindianarmy.nic.in) & will continue till 01 April 2026. However, state of applications submitted are not very heartening. I am highlighting comparative registration of last three year below: -

Ser No	Year	Registration
2.1	2023-24	274
2.2	2024-25	401
2.3	2025-26	782
2.4	2026-27 (till dt)	273

3. As evident, application submission in the current year is far below par & when compared to Recruitable Male Population of 1061147 (as per 2011 census), accounting for only 0.03% rather dismal. Therefore, I write to you to request your kind indulgence in giving more traction to the issue. I would request you to assist us in enhancing the visibility of registration & online applications for Army Recruitment by giving it publicity through newspapers, advertising hoardings, audio-visual media & any other way, as possible. Institution of Info Kiosks at Tehsil & Village level which can assist the candidates in registration & submission of applications will also immensely aid the process. For the purpose I am attaching certain publicity material.
4. A positive response from you will go a long way in aiding us to achieving our goal to select the best lot of young Women & Men to join the profession of Arms.

With warm regards

Yours sincerely
Raj
